### Introduction

This training programme is designed to equip leaders from Public Listed Companies (PLCs), Government-Linked Companies (GLCs), Government Agencies, Small and Medium Enterprises (SMEs), and Universities with the knowledge and skills needed to integrate sustainability into their leadership practices. Through a series of interactive sessions, participants will gain a deep understanding of the synergy between organisational excellence and sustainability, learn practical strategies to lead sustainably, and harness the power of data analytics to drive positive change within their organisations.

### Why Choose Us?

- Tailored for Industry Leaders
- Comprehensive Learning Experience
- Practical Insights & Tools
- Interactive Workshop
- Whats Next: Mentoring Opportunity

### Who Should Attend?

- Top Management
- Senior Managers
- Department Heads
- Sustainability Team Leaders
- Leader who cares in balancing sustainability and financial performance
